CORPORATE ANNOUNCEMENT - WBENC CERTIFICATION

PowerFlow Fluid Systems LLC is proud to announce that we are certified as a Women's Business Enterprise (WBE) through the Women's Business Enterprise National Council (WBENC), the nation's largest third party certifier of businesses owned and operated by women in the US.

We recognize and fully support the commitment to supplier diversity that is embraced by our customers and look forward to helping expand supply chain choices and diversity.

PowerFlow provides solutions for virtually every liquid and gas stream found at industrial facilities including:

- Filtration equipment and replacement media
- Coalescers and separators
- Oil purification systems
- Water degasification systems
- UV disinfection systems
- Custom engineered fluid systems
- Flushing and onsite fluid remediation

We also maintain a fleet of rental equipment and employ fluid system specialists across the U.S. For more information, please visit our website and let us know how we can help.
